

Sonata for Pianoforte

from *The Dawning of Music in Kentucky*

Especially dedicated to the VIRTUOSOS of the United States; not as a NON PLUS ULTRA or NOLI ME TANGERE but as a "firstling" in its kind from the BACKWOODS and as a small Morning's Entertainment or "BUONA MATTINA" in addition to the SERENADE or "BUONA NOTTE"; already presented to them by their most humble —

A. P. HEINRICH, of Kentucky
