

School of Ragtime

BY

SCOTT JOPLIN

Composer of "Maple Leaf Rag."

S. Joplin

REMARKS— What is scurrilously called ragtime is an invention that is here to stay. That is now conceded by all classes of musicians. That all publications masquerading under the name of ragtime are not the genuine article will be better known when these exercises are studied. That real ragtime of the higher class is rather difficult to play is a painful truth which most pianists have discovered. Syncopations are no indication of light or trashy music, and to shy bricks at "hateful ragtime" no longer passes for musical culture. To assist amateur players in giving the "Joplin Rags" that weird and intoxicating effect intended by the composer is the object of this work.

Exercise No. 1.

It is evident that, by giving each note its proper time and by scrupulously observing the ties, you will get the effect. So many are careless in these respects that we will specify each feature. In this number, strike the first note and hold it through the time belonging to the second note. The upper staff is not syncopated, and is not to be played. The perpendicular dotted lines running from the syncopated note below to the two notes above will show exactly its duration. Play slowly until you catch the swing, and never play ragtime fast at any time.

Slow march tempo (*Count Two*)

The musical score for Exercise No. 1 is written for piano and violin. It is in 2/4 time and consists of 16 measures. The piano part (bottom two staves) features a syncopated melody with ties between notes. The violin part (top staff) plays a steady eighth-note accompaniment. Vertical dotted lines connect the syncopated notes in the piano part to the corresponding notes in the violin part to show their duration.

Exercise No. 2.

www.everynote.com

This style is rather more difficult, especially for those who are careless with the left hand, and are prone to vamp. The first note should be given the full length of three sixteenths, and no more. The second note is struck in its proper place and the third note is not struck but is joined with the second as though they were one note. This treatment is continued to the end of the exercise.

Slow march tempo (*Count Two*)

The musical score for Exercise No. 2 is written for piano and violin. It is in 2/4 time and consists of 16 measures. The piano part (bottom two staves) features a syncopated melody with ties between notes. The violin part (top staff) plays a steady eighth-note accompaniment. Vertical dotted lines connect the syncopated notes in the piano part to the corresponding notes in the violin part to show their duration.
