

# 6 Idylls after Goethe, Op. 28

## THE BLUEBELL

An azure bluebell  
All daintily sweet,  
Had early blossomed  
The Springtide to greet.

A bumble-bee came  
And kissed her soft cheek;  
Ah! surely they're lovers  
Who each other seek.

E. MacDowell

6. Lightly, daintily. (♩ = 126.)
