

# LE FILS DES ÉTOILES

Wagnérie Kaldéenne du Sar PÉLADAN

Dedication: Without prejudice to the practices of the great imprecators My cousins, I offer this work to my peers. Thus, and for the precedence of the examples, I do not ask for exaltation. I call down upon My guests-at-table the mercy of the Father, creator of things visible and invisible; the protection of the August Mother of the Redeemer, Queen of Angels; as well as the prayers of the glorious chocus of the Apostles and the Holy Orders of blessed Spirits. May the just cholera of God crush the haughty and the indecent! — Erik Satie
